## 1979

## **Rockabye Baby!**

Shakedown 1979

Cool kids never have the time

On a live wire right up off the street

You and I should meetJune bug skipping like a stone

With the headlights pointed at the dawn

We were sure we'd never see an end to it allAnd I don't even care to shake these zipper blues

And we don't know just where our bones will rest

To dust I guess forgotten and absorbed

Into the earth belowDouble cross the vacant and the bored

They're not sure just what we have in the store

Morphine city slippin' dues down to seeWe don't even care as restless as we are

We feel the pull in the land of a thousand guilts

And poured cement, lamented and assured

To the lights and towns belowFaster than the speed of sound

Faster than we thought we'd go

Beneath the sound of hopeJustine never knew the rules

Hung down with the freaks and the ghouls

No apologies ever need be made

I know you better than you fake it to see That we don't even care to shake these zipper blues

And we don't know just where our bones will rest

To dust I guess forgotten and absorbed

Into the earth belowThe street heats the urgency of now

As you see there's no one around
