Already High (Cdq)

JT Hodges

I been watchin' my boys gettin lit all night,
Liquored up, fallin' down, now they're lookin' for a fight,
But I ain't got to go there, honey I'm cool,
'Cause I can catch a buzz just thinkin' bout you.Don't need Johnnie Red or Don Julio,
Tell that Marlboro Man he can keep his smokes,
I don't need that drag or that 80 proof,
I ain't gonna lie, I'm already high, I'm already high on you.When I need a hit girl, when I need a fix,
Your blue jean curves always do the trick,
Just a little bit of you goes a long, long way,
One shot of your love, I'm intoxicated.Don't need Johnnie Red or Don Julio,
Tell that Marlboro Man he can keep his smokes,
'Cause I don't need that drag or that 80 proof,
I ain't gonna lie, I'm already high, I'm already high on you.
Yeah I'm feelin' alright, I'm already high, I'm already high on you.Your kiss, your touch, girl it's the perfect drug.
Woahhhhh
Your kind, of love, so good I'd drink it up,
WoahhhhhDon't need Johnnie Red or Don Julio,
Tell that midnight roller I'm already stoned,
I don't need that drag or that 80 proof,
I ain't gonna lie, I'm already high, I'm already high on you.
Yeah I'm feelin' alright, I'm already high, I'm already high on you.I'm already high, I'm already high
