The Baddest Girl

Pentatonix

Do you really love me?
Do you really care?
Do you really want me?
Do you really, at least pretend to love me girl,
I don't care if that love is real.They say you're the baddest girl around,
You take your men and then you shoot them down.
They tell me to get out while I can 'cause she ain't good
For your man so I listened, and ran.
But your body's got me thinking twice,
Your reputation do not matter with those eyes.
Don't care if you lying from the start,
J-just take my heart and break it.'Cause I am ready for you, take me on a ride.
Baby, you never know if something's good until you try. (Oh, no)Do you really love me? (Tell me that you love me, say it)
Do you really care? (I won't hold you to it, put me through it)
Do you really want me? (Don't worry, my heart is made of steel)
Do you really.. at least pretend to love me girl,
I don't care if that love is real.Woah, woah, don't care if the love is real.
Don't care if the love, love, don't care if the l-l-l-loveThey say you're the baddest girl around,
A heart that's breakin' is your favorite sound.
Don't even know what you gon' put me through.
You're having dÃ©ja vu, just another man down so,I am ready for you, take me on a ride.
Baby, you never know if something's good until you try.Do you really love me? (Tell me that you love me, say it)
Do you really care? (I won't hold you to it, put me through it)
Do you really want me? (Don't worry, my heart is made of steel)
Do you really.. at least pretend to love me girl,
I don't care if that love is real.You are the girl of my dreams.
I know this love ain't real, but make believe is good enough for me.
And if you give me a chance, somehow I'll change your mind.
Though I know you know I know I'm wasting my time.Do you really love me?
Do you really love me?
Do you really love me?
Do you really love me?
Love me, love me.Do you really love me? (Tell me that you love me, say it)
Do you really care? (I won't hold you to it, put me through it)
Do you really want me? (Don't worry, my heart is made of steel)
Do you really.. at least pretend to love me girl,
I don't care if that love is real.
