

Tell Me

Regine Velasquez

There are nights when I can't help but cry
And I wonder why you had to leave me
Why did it have to end so soon
When you said that you would never leave me Tell me
Where did I go wrong
What did I do to make you change your mind
Completely When I thought
This love would never end
But if this love's not ours to have
I'll let it go with your goodbye There are nights when I can't help but cry
And I wonder why you had to leave me
Why did it have to end so soon
When you said that you would never leave me
Tell me
Where did we go wrong
What did I do to make you change your mind
Completely
When I thought
This love would never end
(Love would never end)
But if this love's not ours to have
(If this love's not ours to have)
If this love's not ours to have
I'll let it go with your (Let it go)
With your goodbye Tell me
Where did I go wrong
What did I do to make you change your mind
Completely
When I thought this love would never end
But if this love's not ours to have
(If this love's not ours to have)
If this love's not ours to have I'll let it go with your (let it go with your.) Goodbye
Goodbye
