

# Young and Bored

## Wasted Youth

Speed kills  
Cheap thrills  
with points or pills  
Speed kills Why I'm always high I don't know  
Is my life a lie I don't know  
will I ever try I don't know  
'cause I think I'm gonna die  
I just don't know Speed kills  
Cheap thrills  
with points or pills  
Speed kills Young and bored in California  
Got nothing else to do  
Nothing else to lose  
My whole life is a lie  
Wanna get high
