

I'm His Only Woman (feat. Fantasia)

Jennifer Hudson

Jennifer:

Hello?

Fantasia:

Hello

Ca-can I speak

To Jennifer

Please?

Jennifer:

Yes

This is Jennifer

May I ask

Who's calling?

Fantasia:

Hi Jennifer

I'm

Tony's girlfriend

I don't mean

To call on

That disrespectful

Stuff like

Jennifer:

Wait a minute

Tony's girlfriend???

Apparently you got

The wrong number

Because I'm

Tony's woman

His only woman

That is

Fantasia:

Well, obviously

That's what

He's been

Telling you

But I'm calling

Right now

To formally

Introduce myself

My name is Fantasia

Jennifer:
Did you just say
Introduce yourself?

Fantasia:

Yeah

Jennifer:

Well

I don't need
No introduction
I am his woman
And I am
Jennifer Hudson
If this was
Ten years ago
I'd be
At your front door
Ready
To whoop your ass
But you know what?
I'm too grown
For that
I ain't got
Nothing else to say

(Jennifer):

I'm his only woman
His woman
And you can't
Break up this home
You can say
What you want
This is my man
Get your own
After all
These years
I spent
Must have been
Close to ten
You can't mean
The same to him
Especially
When that's my man

(Fantasia):

Baby now

If he's with you
Tell me why
He calls me boo
Guess
He played you
Like a fool
I think he's
Lying to you

(Fantasia):
Ohh
I'm just tryna
Talk to you, baby
Woman to woman
Like two adults
Not tryna start
No commotion
But the man
You claim
Is yours
Says he's mine
And he
Loves me too
Same promises
To you
The honest truth
Guess we both
Are fools

(Jennifer):
Seems
That you're the one
Who's calling me
Ohh, he belongs to me
Only me, and only me
This situation
You don't want
No confrontation
Wi-with me boo
I don't know
What he's telling you
But it seems to me
That you're confused

(Fantasia):

I'm his only woman
His woman, yeah
And what you're
Saying to me
I don't care

(Jennifer):
I'm not tryna
Go back and forth
Simply you're not
Welcome over here

(Jennifer):
After all
These years
I spent
Must have been
Close to ten
You can't mean
The same to him
Especially when
That's my man

(Fantasia):
Baby now
If he's with you
Tell me why
He calls me boo
I guess
He's lying to me
(He's lying to you)

Ooh
I can't believe it
(Can't believe it)
The same man
That I knew
When he lived
With his mama
(I knew him too yeah)
The same damn man
Who car note
That I paid
Who bed that I made
So you better believe

After all
The years I spent
Must have been
Close to ten
You can't mean
The same to him
Especially when
He's my man

Baby now
If he's with you
Tell me why
He calls me boo
Guess he lied to me
(He's lying to you)
