What's In It for Me

John Berry

So you're back at my door
The one you walked out
You made a mistake
You know that nowWill I let you in?
You're begging me, "Please"
What if I do
What's in it for me?What's in it for me?
I've got to ask
If it's only more tears
Then I'll have to passIf you'll open up
Then I can see
Deep in your heart
What's in it for me?Well, I have to admit
I'm glad that you're here
But I can't make the past
Just disappearIf you're back for good
I want you to be
Just let me know
What's in it for me?What's in it for me?
I've got to ask
If it's only more tears
Then I'll have to passIf you'll open up
Then I can see
Deep in your heart
What's in it for me?Am I a fool
To think you've changed?
Some people do
Is that so strange?Our love was good
It just got off track
Is it worth the risk
If you come back?What's in it for me?
I've got to ask
If it's only more tears
Then I'll have to passIf you'll open up
Then I can see
Deep in your heart
What's in it for me?If you'll open up
Then I can see
Deep in your heart

What's in it for me?
