She Said, She Said

The Black Keys

She said, "I know what it's like to be dead
I know what it is to be sad"
And she's making me feel like I never was bornI said, "Who put all those things in your head?
Things that make me feel like I'm mad
And you're making me feel like I never was born"She said, "You don't understand what I've said"
I said, "No, no, no you're wrong, when I was a boy
Everything was right
Everything was right"I said, "Even though you know what you know
I know that I'm ready to leave
'Cause you're makin' me feel like I never was born"She said
She said
She said
She said
