

# Hyena (Demo)

R.E.M.

Night time fell at the opening  
In the final act of the beginning of time  
Hyena, take your role, the stage is set  
The town is safe again tonightHyena (I see the day ahead)  
Hyena (and all that I've cried through)  
Hyena (God knows you're doing that, don't you)Hyena, sister, look to your hand  
Man, you serve communal interest  
She'll tell you when and where and how and why you'd hurt  
A beautiful young ladyHyena (I see the day ahead)  
Hyena (and all that I've cried through)  
Hyena (God knows you're doing that, don't you)The only thing to fear is fearlessness  
The bigger the weapon, the greater the fear  
Hyena is ambassador to here  
Nighttime fell like the closing  
Meager pay, but recognition  
Hyena crawls on his belly out  
The town is safe again tonightHyena (I see the changes, man)  
Hyena (going on across the way)  
Hyena (I see my road ahead)  
Hyena (don't know if I should stay)  
Hyena (I see you holding him)  
Hyena (and all that I've cried through)  
Hyena (God knows you're doing that, don't you)
