"Hey it's me, i was just calling cuz i was laying here and i was thinking about you, i miss you a lot"
(Phone ringing, that's my line i pick up cuz my phone ring, that's my line, phone ringing, thats my line, i pick up cuz my phone ringing)

She just hit my line like what's up, nigga what's the deal? Can you make some time for me now, tell me how you feel? I say that i'm numb, she say that she need me, i say that i'm leaving, now she wanna come make her cum. When i meet her imma lead her to the bed bed bed when i her we gon fuck like --- idk the rest lol
