Freedom to Love (Reel People Rework)

Incognito

Let's improvise, Let's improvise
We've got what it takes, let's improvise
We've got what it takes, let's improviseBodies in motion, hearts wide open
Minds searching for loveYou can do it if you wanna. Make it happen if you try
You can do it if you wanna. Make it happen if you tryEveryday people do what you can
Hold on to your dreams
For the freedom to learn, in our time
Freedom to live and to loveFreedom to learn, in our time
Freedom to live and to love
Freedom to learn, in our time
Freedom to live and to loveWe've got what it takes, let's improvise
We've got what it takes, let's improviseDoers and dreamers, voices are calling
Needing somebody to love
The mind is a garden, let the inspiration grow
Evolution everyday, for loveBodies in motion, hearts wide open
Minds searching for love
Seeking direction, life's affirmation
A journey forever to love
