You Got Nothin' On Me

The Golliwogs

I'm hope tell to you that you
Better stay out of my way
There ain't a man alive to beat me
And that's why I'm here to stay
You may be something
But you got nothin' on meYou know just for fun
I wrassled with a grizzly bear
I even fought with an alligator
I didn't even mess my hair
Well you may be something
But you got nothin' on meYou got nothin' on me
Well you ain't got nothin' on me baby
You ain't got nothin' on me
Well any poor fool can see
I got a twinkle in my eye
Woman ironing my clothes
You better stay outta my way baby
Or you'll be out the door
Well you may be something
But you got nothin' on me
