

# The Change

[Michelle Wright](#)

Been a long time lonely, grown set in my ways  
No eye for tomorrow, just a chain of yesterday  
You were the first time, I knew where I stood  
Now I walk a new line, and I think the change is gonna do me good  
Gonna suit me fine, bring me back again  
It's just a matter of time  
Gonna play my cards right, gonna knock on wood  
I know that it's comin' I think the change is gonna do me good  
Stone cold sober in the broad daylight  
Downtown dancin' on Saturday night  
Thinkin' about you makes me feel all right  
It's the way that you love me the way that you love me  
You love is a shadow, across all my dreams  
I wake up and want you- and your face is all I see  
The words are unspoken, it's all understood  
My heart is wide open, and I think the change is gonna do me good  
Gonna suit me fine, bring me back again  
It's just a matter of time  
Gonna play my cards right, gonna knock on wood  
I know that it's comin' and I think the change is gonna do me good  
I think the change is gonna do me good  
I think the change is gonna do me good  
I think the change is gonna do me good
