

Politics, Religion And Her

Sammy Kershaw

Hey ole buddy, how you been?
Not much has changed here on my end
No I don't think she's comin' back
We better not get into that Let's talk about baseball, talk a little small talk
There's gotta be a good joke that you've heard
Let's talk about NASCARs, old Hollywood movie stars
Let's talk about anything, anything in this world
But politics, religion and her Politics can start a fight
Religion's hard to know who's right
And one more topic I won't touch
Well that one's her, it hurts too much Let's talk about baseball, talk a little small talk
There's gotta be a good joke that you've heard
Let's talk about NASCARs, old Hollywood movie stars
Let's talk about anything, anything in this world
But politics, religion and her
