Sink

Iwan Rheon

You are, you are
you are on my side.
In the war, in the war
in the war in your mind.
And you try, and you try
and you try to be free.
That's something, that's something
That's something to be.You look, you look
you look to the west.
Cause they say, cause they say
they say it's the best.
Well it's fading, it's fading
it's fading for me.
But I guess, but I guess
thar's the price to be free.You won it all
oh, fall around you.
You won it all
fall around you.Now you're looking, you're looking
you're looking at me.
And I try, and I try
and I try to belive.
How I wonder, I wonder
and crave what you see.
That's something, that's something
That's something to be.You won it all
oh, fall around you.
You won it all
fall around you.Oh, you try not to sink,
you try not to sink with me
oh you try not to sink
cause you can't face
the break of nothing.You won it all
oh, fall around you.
You won it all
fall around you.Oh, you try not to sink,
you try not to sink with me
oh you try not to sink
cause you can't face
the break of nothing.
