

Sing

Deaf Havana

I wasn't striving for jealousy but I always looked good in green
And the things that I wanted I had all along, I was just too stubborn to see
And we all just sing along, try to struggle on
'Cause we need it, yeah we need it
We all just sing along, try to right the wrongs
'Cause we mean it, yeah we mean it
And I could have moved on faster but I'm still stuck
On the past and the things we'd do
'Cause I heard you bought a house last month
Well good for fucking you
And we all just sing along, try to struggle on
'Cause we need it, yeah we need it
We all just sing along, try to right the wrongs
'Cause we mean it, yeah we mean it
We're gonna sing, like we mean it
We're gonna sing, like we mean it
'Cause I mean it this time
I know I took it for granted
But I hope I can change my mind!
And we all just sing along, try to struggle on
'Cause we need it, yeah we need it
We all just sing along, try to right the wrongs
'Cause we mean it, yeah we mean it
And we're gonna sing, like we mean it
('Cause we mean it, yeah we mean it)
We're gonna sing, like we mean it
('Cause we mean it, yeah we mean it)
Like we mean it
