Alice

Sham 69

Alice, Alice had a dream
She dreamt Elizabeth Taylor was her next door neighbour
She's candy floss in a 60s skirt
She's I learn to pogo
But she ain't no flirt
She dresses in pink yellowy blue
She walks around with nothing to do
Shes Richard and Judy
Cider and sleep
The one that you look at walking down the streetAlice let's get drunk tonight
Alice it'll be alright
Alice let's get drunk tonight
Alice it'll be alrightAlice, Alice had a dream
She dreamt her Dr Martens turned to ice cream
She's a strawberry girl with a Robert Smith poster
She's fishnet and lipstick but she didn't nick it
She's all tattoo and laces polka dot and stripe
The girl on the bus not the one on the bike
She's 77 all of the day
And I know that you're listening
When you're hearing me sayAlice let's get drunk tonight
Alice it'll be alright
Alice let's get drunk tonight
Alice it'll be alrightAlice, Alice had a dream
She had sex with a rabbit in the forest of Dean
She's chocolate in an Oxfam wispa
She's all upstairs and downstairs
She comes from Gloucester
She's Manchester, Brighton, Weybridge and home
She'll tell you all about it when she's on the phone
She's oh what a bargain and that's really nice
And if you have her for dinner no meat only riceAlice let's get drunk tonight
Alice it'll be alright
Alice let's get drunk tonight
Alice it'll be alright
Alice let's get drunk tonight
Alice it'll be alright
Alice let's get drunk tonight
Alice it'll be alright
