

# Say It Isn't So

[Stacey Kent](#)

Say it isn't so. Say it isn't so.  
Everyone is saying you don't love me. Say it isn't so.  
Everywhere I go, everyone I know, whispered that  
You're growing tired of me. Say it isn't so.  
People say that you found somebody new  
And it won't be long before you leave me.  
Say it isn't true.

Say that everything is still okay,  
That's all I want to know,  
And what they're saying, oh, please,  
Say it isn't so.

People say that you found somebody new  
And it won't be long before you leave me.  
Say it isn't true.

Say that everything is still okay,  
That's all I want to know,  
And what they're saying, please, say it isn't so.
