I Want You To Live

George Canyon

When she got the news
The phone hit the floor
She fell to her knees,
And cried his nameHe had just kissed her lips,
And both of the kids
Their lives will never be the sameThe end of her hardest day
The only words she could say were,
I want you to live,
I want you to love,
I want to go back to the way it was,
To hear you say my name again,
I want to see you smile again
I want you to liveIt takes all of her strength
To go through his things
It feels like she's holding him again
The letters he wrote, books that he'd read
And some of his shirts still had his scent
The picture in Florida
She holds to her heart and cries out loudI want you to live,
I want you to love,
I want to go back to the way it was,
To hear you say my name again,
I want to see your smile again,Lying awake in the middle of the night
Trying not to let the kids hear her cry
She prays for an answer, some little of sign
And closes her eyes
And swears she hears him say,I want you to live,
I want you to love
I want you to go on and not give up
I want you to live,
I want you to try,
I want you to know that I'm alrightI want you to fall in love again
I want to see you smile again
And again,
I want you to live
