

# Something Blue

Elvis Presley

Something old, the time goes by  
Something new, these tears I cry  
Something borrowed were those lips my lips knew  
And that's why I'm something blue  
Something old, the vows we made  
Something new, the price I paid  
Something borrowed, love was tried but not true  
Now my life is something blue  
I guess that I had better smile  
Walking behind you down the aisle  
I feel I'm walking to my doom  
I'm really not the best man in this room  
Something old, the dreams we planned  
Something new, his wedding band  
Something borrowed was the heart I gave you  
You returned it torn in two  
Something old, the dreams we planned  
Something new, his wedding band  
Something borrowed was the heart I gave you  
You returned it torn in two  
And that's why,  
And that's why I'm something blue
