I Fall Down

Handsome Devil

You kiss me, I fall down
Dismiss me tinsel town
Stay close till I come around
You kiss me, I fall down
Yeah, yeah, yeah, I fall down
Yeah, yeah, yeah, I fall down
Lost angel in my heart
I just might fall apart
Arrest me in your lounge
You kiss me, I fall down
Yeah, yeah, yeah, I fall down
Yeah, yeah, yeah, I fall down
Kissed me in the way you never should do
Kissed me in the way you never should do

Kissed me in the way you never should do
Baby oh
You kiss me, I fall down
Dismiss me tinsel town
Stay close till I come around
You kiss me, I fall down
Yeah, yeah, yeah, I fall down
Yeah, yeah, yeah, I fall down
Yeah, yeah, yeah, I fall down
Yeah, yeah, yeah, I fall down
Yeah, I fall down
Yeah, I fall down
