

Lil Baby (feat. Ty Dolla \$ign)

DJ Mustard

[Intro]

Anana oh nananana

Mustard on the beat, ho[Hook]

Girl I beat it up, beat it up right I will

Oh and I go deeper than your ex man did

She be like, "Slow down daddy ya that ain't too big"

She a pretty young thing and ain't got no kids

Lil baby, lil mama, lil baby, lil mama

Yeah, yeah

[Verse 1]

I'll be the ride I will

If it's hard, take my time, I will

Hell yeah, you got the right idea

You let me hit it from the back like a Rottweiler

Girl la quiera punani

Hit it raw doggy in the morning

Give it to your head 'til you're horny

Every time I'll pull it cocky you put it on me

Got you screaming oooh oooh

Goddamn girl you so nasty

And nooooooo

And I just can't let you walk past me[Hook]

Girl I beat it up, beat it up right I will

Oh and I go deeper than your ex man did

She be like, "Slow down daddy ya that ain't too big"

She a pretty young thing and ain't got no kids

Lil baby, lil mama, lil baby, lil mama

Yeah, yeah[Verse 2]

I put it on you

Hit it to a swirl, break the ice out

Ain't even with her, you gon' wild out

I'm the only nigga that you talk 'bout, oh ya

Tell me who the coldest

Anybody record I get on is on the radio like a Jonas
I'm about to check her then finesse her out of garmets

Singing oohhhh

Goddamnit girl you so nasty

And ooohhhhh

I'll be right there when you ask me[Hook]

Girl I beat it up, beat it up right I will

Oh and I go deeper than your ex man did

She be like, "Slow down daddy ya that ain't too big"

She a pretty young thing and ain't got no kids

Lil baby, lil mama, lil baby, lil mama

Yeah, yeah[Bridge]

Anana oh nananana

Anana oh nananana

Yeah they do not do what I do

But I'm still making moves

Tryna make some moves with you

And you know...[Hook]

Girl I beat it up, beat it up right I will

Oh and I go deeper than your ex man did

She be like, "Slow down daddy ya that ain't too big"

She a pretty young thing and ain't got no kids

Lil baby, lil mama, lil baby, lil mama

Yeah, yeah
