The Only Question Is

The Mavericks

I could fill your heart up with desire
I could fall into your burning ring of fire
I'd do anything, anything for you
The only question is do you want me toI could paint you a rainbow in the sky
And I could make you the apple of my eye
There is nothing that I wouldn't do
The only question is do you want me toIf you're lonely don't be lonely
You know that I can be your
One and onlyI'll be yours until the day I die
And I could tell you every little reason why
I'd do anything, anything for you
The only question is do you want me to
