

Fancy Footwork

Ruckus Roboticus

Two step, two step, two step
Two step, two step, two step Bright lights keep you straight
Feels like looking in a magazine
You, her, on the floor
Feels like dancing is the way to go But if you let her see that fancy footwork
Show her that youre not that shy
Let her see that fancy footwork
Show her youre that type of guy Two step, two step, two step
Two step, two step, two step Young boy, dont be late
This girl aint really got time to wait
You think its all for show
But this is just the only way I know But if you let her see that fancy footwork
Show her that youre not that shy
Let her see that fancy footwork
Show her youre that type of guy Two step, two step, two step
Two step, two step, two step If you ever need a guy
A partner for the week
You point in my direction
Then just come and follow me Well meet up on the floor
And maybe do the Twerk
So show me what you got
In terms of fancy footwork Fancy footwork, fancy footwork
Fancy footwork, fancy footwork
Fancy footwork, fancy footwork
Fancy footwork Two step, two step, two step
Two step, two step, two step
