

Don't Break My Heart

Chris Isaak

Someday my heart is bound to break

Loving you has been my big mistake

I knew it all, I couldn't wait

Now how much more must I take

Don't break my heart

Don't break my heart

Don't make me go

(don't make me go)

Little darling I'll always love you so

(don't let me go)

Don't leave me all alone I'll be so blue

(don't let me go)

Little darling don't you know there's only you

Oh, let's start our love affair new

Forget those troubles we've been through

You know I'm crazy over you

There's only one thing you can do

Don't break my heart

Don't break my heart

Don't make me go

Little darling I'll always love you so

(don't let me go)

Don't leave me all alone I'll be so blue

(don't let me go)

Little darling don't you know there's only you

Oh, little darling don't you know there's only you

(don't let me go)

Oh, little darling don't you know there's only you
