

Help Me

[Van Morrison](#)

You gotta help me, can't do it all by myself
You gotta help me, I can't do it all by myself
You don't help me, darlin', I'll find myself
Somebody else, somebody else, somebody else
When you walk, you walk with me
When you talk, you talk to me
You got to help me, I can't do it all by myself
You don't help to find myself somebody else
Bring my night shirt, put on your morning gown
Bring my night shirt, put on your morning gown
I don't feel sleepy, I just feel like lying down, alright
Bring me my night shirt, put on your morning gown
Oh, bring me my night shirt, put on your morning gown
I'm coming, I didn't do the things I should
Babe, come here, oh, baby, come on
You gotta help me, babe, can't do it all by myself
You don't help me, darlin', find myself somebody else
Walk when I walk, talk when I talk
It's all I want you to do about it
Walk when I walk, talk when I talk
It's all I want you to do
Then I know your love for me is true
Bring my night shirt, put on your morning gown
Bring my night shirt, put on your morning gown
'Cause I know we're not sleepy but, I'll say it again
Bring my night shirt, put on your morning gown
Bring my night shirt, put on your morning gown
Lord, I've been liking your company, can I do it again
Bring my night shirt, put on your morning gown
Bring my night shirt, put on your morning gown
I don't feel sleepy but feel like lying down
