## In This Moment

Advisory - the following lyrics contain explicit language:

Can we run away tonight  
And hide from tomorrowsThe glass is cracking tonight  
Shattering our fears away  
The silence in here fades  
And it's only your eyes that I seeTake me, pull me all around  
Break me, I'm yoursCan we run away tonight  
And hide from tomorrowsWe die in this moment  
And I don't want to wake from this  
I can barely breathe  
Suffocating on what you gave meTake me, pull me all around  
Break me, I'm yoursCan we run away tonight  
And hide from tomorrowsIt's quiet now  
Whispers confess  
Can we run away now  
And hide from tomorrowCan we run away tonight  
And hide from tomorrows
