

Papillon

Absynthe Minded

Make our escape, you're my own Papillon
The world turns too fast
Feel love before it's gone
It kicks like a sleep twitch
My Papillon, feel love when it's shone
It kicks like a sleep twitch
Darling, just don't put down your guns yet
If there really was a God here
He'd have raised a hand by now
Now darling, you're born, get old, then die here
Well, that's quite enough for me
We'll find our own way home somehow
No sense of doubt or what you could achieve
I've found you out
I've seen the life you wish to leave
But when it kicks like a sleep twitch
You will choke, choke on the air you try to breathe
It kicks like a sleep twitch

Darling, now just don't put down your guns yet
If there really was a God here
He'd have raised a hand by now
Darling, you're born, get old, then die here
Well, that's quite enough for me, dear
We'll find our own way home somehow, how, how
It kicks like a sleep twitch
It kicks like a sleep twitch
Darling, just don't put down your guns yet
If there really was a God here
He'd have raised a hand by now
Darling, now you're born, get old, then die here
Well, that's quite enough for me, dear
We'll find our own way home somehow
It kicks like a sleep twitch
It kicks like a sleep twitch
