

# Pleasure or Pain

Michael Bolton

You pull me in, then you push me away  
Ask me to leave and then you beg me to stay  
Bend me, baby, bend me till I break  
Do you really wanna know how much  
This heart of mine can take? Well, I find myself in a daze sometimes  
Lovin' you has got me losin' my mind Is it pleasure or pain?  
Keeps me runnin', keeps me runnin' to you  
Pleasure or pain, I just can't decide Are they one and the same?  
It's confusing me blind  
Am I in love or insane?  
Am I in it for the pleasure or pain? You make me smile, make me thankful that I breathe  
Let me taste some heaven 'fore you drop me to my knees  
You chain me baby, till it's time to set me free  
Give me everything I want, give me nothin' that I need Well, I ask myself why I keep holdin' on?  
And lovin' you is just a weakness too strong Is it pleasure or pain?  
Keeps me runnin', keeps me runnin' to you  
Pleasure or pain, I just can't decide Are they one and the same?  
It's confusing me blind  
Am I in love or insane?  
Am I in it for the pleasure or pain?  
(Or pain) I still don't understand why I can't resist  
What keeps me comin' back  
Comin' back for more of this Pleasure or pain  
Keeps me runnin', keeps me runnin' to you  
Is it pleasure or pain? I just can't decide Are they one and the same?  
It's confusing me blind  
Am I in love or insane?  
Am I in it for the pleasure or pain? Keeps me runnin', keeps me runnin' to you  
(Baby)  
(Baby, I just can't decide) Are they one and the same?  
It's confusing me blind  
Am I in love or insane?  
Am I in it for the pleasure or pain? Keeps me runnin', keeps me runnin' to you  
(Baby, bend me till I break)  
I just can't decide  
Are they one and the same?
