

Rock N' Roll (Will Take You to the Mountain)

[Skrillex](#)

Hello again, to all my fans
Together we can play some rock 'n' roll

Rock n' roll!

Oh my god, rock n' roll!

Hello again, to all my fans
Together we can play some rock n' roll

Rude boy bass, mash up the place!

And fuck you, rock n' roll!

Hello again, to all my fans
Together we can play some rock n' roll

I'm Dave Taylor, rock n' roll, good people, good times, right on, rock 'n' roll!
Tim smith, it's fun to say Tim Smith, yeah, Tim Smith will take you to the mountain!
Rock 'n' roll!

You have technicians here making noise. no one is a musician.
They're not artist because nobody can play the guitar!
