Colibri

[unknown]

It's been a year today
Baby, since you came into my life
Feels just like yesterday
That we both stood beneath the open sky
Playing like children in the rain
As though we had known our destiny
Nothing would ever be the same
I guess I knew you were the one for me
I hear your name
(I hear your name)
Suddenly the world is standin' still
I hear your name
(I hear your name)
And I start dreamin' of makin' love
I hear your name
(I hear your name)
Bringin' on a rush of ecstasy
(I hear your name)
And I feel like makin' love to you
We've come such a long way
A travellers' road, no lookin' back
Here's where I want to stay
Safe in your arms feeling body and soul
When you're not here I long to feel
The lovin' warmth of your embrace
Missin' you madly night and day
Longin' to see you face to face
I hear your name
(I hear your name)
Suddenly the world is standin' still
I hear your name
(I hear your name)
And I start dreamin' of makin' love
I hear your name
(Hear your name, yeah)
Bringin' on a rush of ecstasy
(I hear your name)
And I feel like makin' love to you, yeah
There is no use in trying to hide the way that I feel

Life is so clear with you on my mind
I know for sure I'm not mislead
And baby, I love everything that you do for me
(Everything that you do for me)
Yeah
I hear your name
(I hear your name)
Suddenly the world is standin' still
I hear your name
(Ooh, ooh, your name)
And I start dreamin' of makin' love
I hear your name
(I hear your name)
Bringin' on a rush of ecstasy
I hear your name
And I feel like makin' love to you
Yeah
Feel like makin', makin', makin' love
Feel like makin' love
'Cause I feel like makin', makin' love
Feel like makin' love, love
Feel like makin', makin', makin' love
Feel like makin' love
Feel like makin', makin' love
Feel like makin' love, love
Feel like makin', makin', makin' love
Feel like makin' love
'Cause I feel like makin', makin' love
Feel like makin' love, love
'Cause I feel like makin', makin' love
'Cause I feel like makin', makin' love
'Cause I feel like makin', makin' love
Feel like makin', makin', makin' love
'Cause I feel like makin', makin' love
'Cause I feel like makin', makin' love
Feel like makin', makin', makin' love
'Cause I feel like makin', makin' love
'Cause I feel like makin', makin' love
Feel like makin', makin', makin' love
'Cause I feel like makin', makin' love
'Cause I feel like makin', makin' love
Feel like makin', makin', makin' love
'Cause I feel like makin', makin' love
'Cause I feel like makin', makin' love
