

Jealous Girl

Another Bad Creation

Chorus:

Fellas, there's a jealous girl in our t-own, awww baby
Fellas, there's a jealous girl in our t-own, awww baby

I know you feel bad about, me and my girl
You had the very first chance to be in my world.
Now you are saying things, to keep us apart.
I gave you the first chance, to, be in my heart.

Bridge:

When I loved you, you didn't love meee,
Our-r love had no unity,
All you ever told me were lies.
It's my girl I know you despise.

(Chorus)

Girl, I really hope you find another,
Cause I can't take no more,
Of you tryna be my lover.
You see, I've got what I want,
And all that I need.
So girl, wont you please move on,
And just leave.

(Bridge)

(Chorus)

There's a jealous girl,
In our town
There's a jealous girl,
In our town.

(Talking)

Hey Girl, why you so jealous?
I mean you had ya chance.
When I used to write you letters in class,huh,
You never wrote back.
But now since you know I'm talking to Kim,
You wanna cause problems.

But Im here to let you know,
Don't even try it.
Well , I guess you win some,
And you lose some.
Point blank girl, you lost this one.
Yo Dave, kick it to 'em.

I just wanna let you know
That it's hurting me so;
Girl I just had to let you go.
There's a jealous girl,
In our town.
And it's you.
Girl it's you.

There's a jealous girl,
In our town.
