

Ultimate Love

Phil Vassar

Never seen the Mona Lisa
Never walked across the moon
Never been to Casa Blanca
But I've been to Cancun
I'll never make the Fortune 500 on what I get paid
Please don't pity me, I've got something I need
Life don't get no better
I could live forever and never stop this
Oh I'm in pole position
Got a sweet suspicion that there's nothin' I've missed
Baby look at us
Standing in the middle of this ultimate love
When I was seventeen I shook Joe Namath's hand
Once I won karaoke singin' Piano Man
One time in Vegas I won me 700 bucks
That's real cool stuff but it don't measure up
Life don't get no better
I could live forever and never stop this
Oh I'm in pole position
Got a sweet suspicion that there's nothin' I've missed
Baby look at us
Standing in the middle of this ultimate love
I don't know too much, but I know this love
Is bigger than the both of us
Life don't get no better
I could live forever and never stop this
Oh I'm in pole position
Got a sweet suspicion that there's nothin' I've missed
Baby look at us
Standing in the middle of this ultimate love
