Happy Together

Filter

Imagine me and you, I do
I think about you day and night
It's only right
To think about the girl you love
And hold her tight
So happy together

If I should call you up, invest a dime
And you say you belong to me
And ease my mind
Imagine how the world could be
So very fine
So happy together

I can't see me lovin' nobody but you
For all my life
When you're with me baby the skies'll be blue
For all my life
You and me!
(I can't see me lovin' nobody but you)
Me and you!
You and me!
(I can't see me lovin' nobody but you)
Me and you!

Me and you, and you and me
No matter how they toss the dice
It has to be
The only one for me is you
And you for me
So happy together

I can't see me lovin' nobody but you
For all my life
When you're with me baby the skies'll be blue
For all my life
You and me!
Me and you!
You and me!
Me and you!

You and me!
Me and you!
You and me!
Me and you!
