

# The Vagabond (with Beck)

## Air

Golden waves  
In all directions  
I could lose my soul right here  
Color lights  
On the runway  
Makes a stranger feel unchained I'm running after time and I miss the sunshine  
Summer days will come happiness will be mine  
I'm lost in my words I don't know where I'm going  
I do the best I can not to worry about things I feel loose  
I feel haggard  
Don't know what I'm looking for  
Something true  
Something lovely  
That will make me feel alive I'm running after time and I miss the sunshine  
Summer days will come happiness will be mine  
I'm lost in my words I don't know where I'm going  
I do the best I can not to worry about things Like a vagabond through the distance  
Looking for a song to sing  
A song that lasts all night  
And for the rest of our life's I'm lost in my words I don't know where I'm going  
I do my best I can not to worry about things  
I'm running after time and I miss the sunshine  
(I'm running after time and I miss the sunshine)  
Summer days will come happiness will be mine  
(Summer days will come happiness will be mine)  
I'm lost in my words I don't know where I'm going  
(I'm lost in my words I don't know where I'm going)  
I do the best I can not to worry about things  
(I do the best I can not to worry about things) I'm running after time and I miss the sunshine  
(I'm running after time and I miss the sunshine)  
Summer days will come happiness will be mine  
(Summer days will come happiness will be mine) Oh, shit!
