

Holocaust

Cr'isis

You've read in it in a book
Seen it on a TV screen
To you it's a nightmare
But to some it's a dream
They think the ness was thicker
Behind the union jack
You'd better watch out brothers
They're heading for a comeback
Remember Belsen, remember Auschwitz
They're trying to say they didn't exist
Don't let 'em put this country in chains
Don't let the millions die in vain
