

# Sola Christus

## Tourniquet

Not inclined to come to Him  
Inability within  
Inward call achieves His end  
Sovereignly commenced Sola Gratia  
Covenant to covenant  
Salvation never changed  
Sola Gratia Quickened of the third person  
Regenerate competence  
Not my own, this faith a gift  
Boasting set adrift Sola Fide  
Credited as righteousness  
Looking far ahead  
Sola Fide Pardoned of iniquity  
Forgotten, cast into the sea  
Righteousness ascribed to me  
Christ alone completed He Sola Christus  
Christ alone completed me  
Sola Christus Fulfilled the Father's Holy law  
Unblemished lamb redemption brought  
Sinless One received the wrath  
Justifying filthy men
