My Baby Left Me (Live Version-Barcelona)

Stray Cats

Well, my baby left me
Never said a word
Was it something I done
Something that she heard?My baby left me
Yeah, she left me
My baby even left me
Never said a wordWell, I stand at my window
Wring my hands and cry
Hate to leave that woman
Hate to say goodbyeMy baby left me
Yeah, she left me
My baby even left me
Never said a wordCome on now, let's rockWell, I stand at my window
Wring my hands and cry
Hate to leave that woman
Hate to say goodbyeMy baby left me
Yeah, she left me
My baby even left me
Never said a wordCome on, let's rock nowBaby, one of these mornings
It won't be long
You'll look for me
Baby, daddy he'll be goneMy baby left me
Yeah, she left me
My baby even left me
Never said a word, alrightMy baby even left me
Never said a word
My baby even left me
Never said a word
