Stay

Florida Georgia Line

I'd sell my soul just to see your face
and I'd break my bones just to heal your pain
In these times I need a saving grace
but time is running out
and I'm starting to lose my faith
But if I told you I loved you
would it make you want to stay?
I'm sorry for the way I hurt you
and making you walk away
(I should have took the time to tell you)
And if I wrote you a love song
and sang it to you every day
would it ever be enough
to make you wanna come back home and stay?
(I can't go another day without you)
Would it make you,
make you wanna stay?
(girl you gotta know I love you)
My heart's on my sleeve but it's turning black
(I guess I know what it feels like it to be alone)
Without your touch I'm not gonna last
(I know you know that I need ya just to carry on)
It feels like my walls are caving in
(You'd always hold me before I left you hanging on)
And I'll do anything to have you here again
But if I told you I loved you
would it make you want to stay?
I'm sorry for the way I hurt you

and making you walk away
(I should have took the time to tell you)
And if I wrote you a love song
and sang it to you every day
would it ever be enough
to make you wanna come back home and stay?
(I can't go another day without you)
Yeah, the days are cold
the nights are long
and I can't stand to be alone

Please know this is not your fault
and all I want
Is to tell you I love you and make you wanna stay
there's gotta be a way
cause going on without you is killing me everyday
And if I wrote you a love song
and sang it to you every day
would it ever be enough
to make you wanna come back home and stay?
(I can't go another day without you)
Would it make you,
make you wanna stay?
(Girl you gotta know I love you)
Would it make you,
make you wanna stay?
(I can't go another day without you)
Would it make you,
make you wanna stay?
