

# Merry Christmas Everyone

## Rend Collective

Love and understanding  
Merry Christmas everyone  
Time for party and celebration  
People dancing all night long  
Time for presents and exchanging gifts  
Time for singing Christmas songs

We're going to have a party tonight  
We're going to have a party tonight  
I'm gonna find my girl underneath the mistletoe  
And kiss by candlelight

Room is swaying, records playing  
All the old songs, love to hear  
Oh I wish that everything was Christmas  
What a nice way to spend a year  
Oh, what a nice way to spend a year  
Oh yeah

We're going to have a party tonight  
We're going to have a party tonight  
I'm gonna find my girl underneath the mistletoe  
And kiss by candlelight
