

# happy home

## Oobie

Oh man, hey, let's turn this house into a happy home  
This for all the homeboys that couldn't get their happy home  
Let's turn this house into a happy home  
Long as one of us got it, some of us got it  
Let's turn this house into a happy home  
You know how that is, stay down for me  
Outlaw, look  
Now we've been kickin' it for quite some time  
Remained beside me through my trials in this life of crime  
We divorced so many times I forgot to count  
I never hit you, not a coward, rather leave your house  
Remember back in December when we was tight?  
Sippin' Alize and Cristal, whilin' every night in my bedroom  
Promised that I commit to you soon  
Tongue kissed me every time you seen me step inside a room  
Straight out the hood  
We promised to be good to each other, plus I love you  
So I know you gonna make a good mother  
Just try to understand if I change at times  
It's only 'cause I never owned anything that's mine  
So I'm tryin' you can stay with my momma  
But keep the drama to a low  
Never call the police, I never call you bitch and ho  
We were all born hungry in this world alone  
Finally moved out my mom's house and got a happy home  
Happy home  
(Let's turn this house into a happy home)  
Happy home  
(Finally made it outta mom's house, got a happy home)  
Happy home  
(Turn this house into a happy home)  
Happy home  
Goin' through hard times, ghetto child of mine  
I wonder if you have to suffer for your father's crimes  
To be honest it's a hard road, just keep your faith in God  
Knowin' you'll get scarred though  
Look at him walkin' and talkin'  
A lil' child with my eyes and mouth  
Father watch over lil' seeds, help me guide them out

Had to change my whole lifestyle, married my baby's momma  
Made her my wife now, I'm tryin hard y'all  
Maybe in time I'll be a better man  
Watchin' the older couples, handle it like veterans  
Show me the meaning of forever and together we rise  
If it would help our child grow, then together we'd die  
Why question my love? It's so easy to see  
Without my family all I'm left with is a shadow of me  
After all the arguments, and the nights alone  
Now it's time to lead a good life, inside a happy home  
Happy home  
(Turn this house into a happy home)  
Happy home  
(Finally got to lead a good life, inside a happy home)  
Happy home  
(Turn this house into a happy home)  
Happy home  
(Happy home)  
All these problems got me goin'  
We got a family, of our own  
I just wanna happy home  
(Turn this house into a happy home)  
No man's made to stand alone  
I promise, I won't do you wrong  
I just want a happy home  
(Finally made it outta mom's house, got a happy home)  
Happy home, I just want a happy home  
(Turn this house into a happy home)  
Happy home  
(Finally got to lead a good life, inside a happy home)  
Happy home, I just want a happy home  
(Turn this house into a happy home)  
Happy home  
(Finally made it outta mom's house, got a happy home)  
(Happy home)  
Hey, turn this house into a happy home  
Long as one of us got it, some of us got it  
Turn this house into a happy home
