

# To the Church

## Lloyd Cole

I'm looking for a religious girl  
With child bearing hips and a wedding veil  
But I'm saddened to report sir, it's not easy

This town is full of those cynical girls  
Walking two steps behind forty five year olds  
I can't bear to hear those church bells ring again  
So driver, can't you drive me a little more slowly?  
I've gotta go  
Can't you find me some George Jones on your radio?  
I've gotta go, can't say no, to the church
