

It's Only Make Believe

[Glen Campbell](#)

People see us everywhere they all think you really care
But myself I can't deceive I know it's only make believe

My one and only prayer is that some day you'll care

My hopes my dreams come true my one and only you No one will ever know how much I love you so

My only prayer will be some day you'll care for me but it's only make believe

My hopes my dreams come true my life I give for you

My heart or wedding ring my all my everything My heart I can't control you lure my very soul

My plans my hopes my schemes you are my every dream but it's only make believe

My one and only prayer is that some day you'll care

My hopes my dreams come true my one and only you No one will ever know just how much I love you so

My only prayer will be that some day you'll care for me but it's only make believe
