Been So Long

Win Win

It's been so long
And it felt so long and it was so long
With all those clouds around you
Oh, the clouds around you
Hey
It's been so long
And it felt so long and it was so long
With all those clouds around you
Oh, the clouds around you
Hey
Been so long since you went in world
And the fog's around you
Lose your arms and legs
And just swim out forever then you'll
Flip through the sidewalk
And wake up on the other side
Maybe it's been too long
Are you water row?
And was the motion slow?
Do you remember the memory of ageless bodies to glow
It's been so long
And it felt so long and it was so long
With all those clouds around you
Oh, the clouds around you
Hey
Oh, the clouds around you
It's been so long
And it felt so long and it was so long
With all those clouds around you
Oh, the clouds around you
Hey
Oh, the clouds around you
Oh, yeah, oh, yeah, oh, yeah
Oh, yeah, oh, yeah, oh, yeah
Memory
Are you in a dream?
Oh, yeah
