Eternal Love

Christian Death

Lie down on this pillow
While I speak to you in tongues
And to the Blessed Virgin Mary
Beneath the cross which I hung
I am kneeling in reverance
To your eternal sleep
To my Eternal Love
I have played a shadow
O' darken the light for God's sake
We were sipping blood from a champagne glass
From night fall till day break
I am kneeling in reverance
To your eternal sleep
To my Eternal Love
I shall rise above and take thee higher
Virgin blood for the Vampire
Let me whisper softly
If this dream is all too real
And to the Blessed Virgin Mary
Beneath the cross where we kneel
I am kneeling in reverance
To your eternal sleep
To my Eternal Love
Now gaze upon my face
For my skin is not always white
By day I am your saviour
By sunset I am Prince Of The Night
I am kneeling in reverance
To your eternal sleep
To my Eternal Love
I shall rise above and take thee higher
Virgin blood for the Vampire
I shall rest here in Pere Lachaise
Our sixty year sleep has ended
You and I shall live forever
Life's rules have been ammended
I am kneeling in reverance
To your eternal sleep
To my Eternal Love
