

# The Sharpest Corner (Hollow)

Alison Moyet

Liar, lie you lie,  
Time and again, and why?  
No want will make it true.  
The only road to clip my heel,  
Is spinning like a wheel  
And we are crashing over  
The sharpest corner ever turned. Cry, you cry, you cry,  
There's no good in goodbye  
When you can't wish me well.  
The only smile that lights your face,  
Is raised from my disgrace,  
There is no getting over  
The sharpest corner ever turned. So, no.  
No love me, love me, love.  
Hollow, Hollow  
And no.  
No take me, take me in.  
Hollow, Hollow. Forgive, forgive, forgive  
I know the way you live,  
The shadow that you throw  
Dream the dream the dreamer dreams  
Who never goes to sea  
Who's never sailing over  
The sharpest corner ever turned.
