5gether

2gether

It's 2gether
It's 2gether
Number 2, G E T H E R
To the CD you play in you car
Drive to, cry to, blow that star
Tiger Woods is 10, strokes under par
So, tell me how far you could get
At the superstar sideshow? That ain't it
Don't throw no fit, just ride on the energy
It's 2gether from now until infinity
We are 5, we are 5
2gether, 2gether
We do our thang, baby
And sing 5gether
We are 5, we are 5
2gether, 2gether
We do our thang, baby
And sing 5gether, yeah
See, all the girls with their hands in the air
You can tell by the screams this ain't Lilith Fair
We in a world, now 2G's Dragon Lair
And we'll take off our shirts if ya double-dog dare
Splitting my pants as I sit in the chair
'Revenge Of The Nerds', funny 'Hollywood Square'
Tripping, skipping, tobaloo, hoo
Choo, choo's coming through, fast on the train track
We are 5
2gether
We do our thang, baby
And sing
We are 5
2gether
We do our thang, baby
And sing
5 as one, 5 as one, 5 as one
Yeah, yeah, rubba, dub, dub
Sweet love in the tub, we're here to hug
Kiss and give you back rubs
Had to scratch our way up from down in the mud

We weren't discovered in no Mickey Mouse Club
Playing our dub, looking for a deal
We're too for real with 5 on the bill
5 on the court, championship
Just can't eat one of these potato chips
It's just the flavor hits as it bumps your hips
Through the 'Eye Of An Eagle'
We need no playa hating people
Sequel, equal to none
2gether, Masterpiece, job's done
If there's gonna be 5 of us
Why not call us 5gether?
We are 5
2gether
We do our thang, baby
And sing
We are 5
2gether
We do our thang, baby
And sing
We are 5
2gether
We do our thang, baby
And sing
We are 5
2gether
We do our thang, baby
And sing
5gether, yeah
This is a new math fool
Where 2 to the G, breaks all the rules
And 1x5 is 2 and 5x the noise coming back at you
This a new math fools
Where 2 to the G, breaks all the rules
And 1x5 is 2 and 5x the noise coming back at you
5 as one, 5 as one, 5 as one
We are 5
2gether
We do our thang, baby
And sing 5gether
We are 5, we are 5
2gether, 2gether
We do our thang, baby
And sing 5gether
We are 5, we are 5

2gether, 2gether
We do our thang, baby
And sing 5gether
We are 5, we are 5
2gether, 2gether
We do our thang, baby
And sing 5gether
We are 5, we are 5
2gether, 5gether
We do our thang, baby
And sing
We are 5, we are 5
2gether, 2gether
We do our thang, baby
And sing 5gether
