Saudade

Us The Duo

Memories are the only thing I have left
Wish I could have told you everything before you left
I haven't eaten, I haven't slept
I haven't smiled, I've only wept
I'm replaying every single word you saidAm I really dreaming?
Are you really gone?
Are you really gone?
Am I done believing
Or is hope forever gone?
My mind is moving on
SaudadeFantasies are the only thing I can't shake
Think about all the memories we could have made
Fast is gone and I'm still here
Wondering if you'll reappear
I'm replaying every song we've ever sungAm I really dreaming?
Are you really gone?
Are you really gone?
Am I done believing
Or is hope forever gone?
My mind is moving onYou always smiled and kept me safe
You held my hand and led the way
You found the beauty in the pain
Now you're gone, now you're gone
Cannot hide the joy in life
You left behind for me to find
So I will sing this song aloud
I'll make you proud, I'll make you proudAm I really dreaming?
I know you're really gone
It's time to move on
I'll never stop believing
That I'll see you again
I'll miss you until then
Saudade, saudadeSaudade
