

# Ritzy Vaudevillian

## Echo Orbiter

Putting on the Ritz, in swanky attire  
The dames are all dolled up in evening dress  
Escape small apartments, in the big city  
To theaters housing acts, that Iâ€™m one

Comedians, singers, and acrobats  
Ventriloquists and plate-spinners  
Thank you all for 20 years support  
Iâ€™m moving on to film and radio
