You Might Need Somebody

Joe Walsh

When somebody
Reaches for your heart
Open up and let it through
'Cause everybody
Needs someone around
When things are comin' down on youAnd you discover
When you look around
You don't have to be alone
Just one lover
Is all you need to know
When you're feelin' all aloneYou might need somebody
You might need somebody, too woo
(You might need somebody)
Yea, you might need somebody
You might need somebody, too woo
(You might need somebody)
(You might need somebody)If some fire
Is stirrin' in your heart
And you're sure it's warm and bright
Keep it burnin'
Through the cold and dark
'Cause it can warm a lonely nightYou might need somebody
You might need somebody, too woo
Yea, you might need somebody
You might need somebody, too woo
(You might need somebody)Yea, you might need somebody
You might need somebody, too woo
(You might need somebody)You might need somebody
(You might need somebody)
(You might need somebody)
(You might need somebody, too woo)Yea, you might need somebody
You might need somebody, too woo
(You might need somebody)
Yea, you might need somebody
Yea, you might need somebody, too woo
(You might need somebody)Yea, you might need somebody
(You might need somebody, too woo)
You might need somebody
Yea, you might need somebody

You might need somebody, too wooHey barely you might need somebody
(Somebody)
You might need somebody, too woo
